NO FIREWORKS FOR STANFORD THIS XMAS

COUNCIL ORDERS LAW ENFORCED AND REFUSES TO RE-DUCE SELLING LICENSE

Firecrackers may not be fired within the city limits of Stanford during the Christmas holidays. This was the edict of the City Fathers at a meeting of the council last Thursday night. The marshal was instructed to rigidly enforce the city ordinance, prohibiting the use of firecrackers of any kind, and all offenders will be prosecuted to the full extent of the law.

A strong effort was made to reduce the license imposed by the city for the sale of fireworks in the city but it was defeated by a close vote. Councilman Shugars led the fight for a reduction of the license fee from \$100 to the present figure of \$25. He argued that the city which needs money so badly, might as well get the benefit of the sale for Christmas of fireworks for they will be sold anyway outside the city limits by several local dealers. One bustling local merchant has been in the habit of erecting a tent just outside the city limits and there dispensing fireworks to all who wish to celebrate the glad Christmas time in that fashion.

Councilman Shugars contended that as fire crackers are sold anyway to all intents and purposes in the city, that the city ought to get some benefit from their sale, but the majority did not think his plan best and so voted his plan down. And then to prevent as far as will be possible danger of accidents from the use of fireworks during Christmas time, it was decided to have the ordinance against the use of fireworks rigidly enforced this year.

The city officials drew their semi-annual salary checks at the meeting Thursday night, which of course put them all in happy frame of mind for the glad Christmas time.

The council adjourned to the 20th when a number for street work, paving etc., will be considered.

Fishing Creek Dam

TO BE RAISED THREE FEET BY O. & C. RAILROAD

King's Mountain, Dec. 5. The Cincinnati Southern Railroad Company is preparing to raise the dam of its reservoir at Fishing Creek just below this city three feet in order to secure a larger capacity of water. The railroad maintains two large tanks there and keeps a pump running constantly, for all of the heavy trains loaded with freight for over the mountain take water there and a large supply is necessary.

The railroad has agreed to rebuild the bridge over the creek on the street leading to the depot, which will be a big improvement.

County Attorney W. S. Burch came over Friday and prosecuted a number of cases. In Squire Singleton's court, Jake Nance was given a fine of \$1 and costs for "cussing" Arch Horton. Wm. Ashby Leach got off with a judgment for 1 cent and costs against him on a charge of breach of the peace. A number of other cases on the docket were continued.

Supple Farm

BOUGHT IN BY FLOUR FIRM TO PROTECT THEMSELVES.

The 47 acres of land owned by C. J. Supple of London, who was adjudged bankrupt, was sold on Saturday by Trustee A. K. Dyche, of London who came here, and cried the property. The purchasers were Ballard & Ballard, the flour firm of Louisville, who bid in the property to protect a mortgage they held against it of \$1,500. It is understood that they may have to put up some other suit to satisfy other creditors, but this was the only course left open to them to protect their own claim.

WEDDING OF WELL KNOWN COUPLE AT MILLERSBURG

The Frankfort News in its issue of Saturday contained the following account of the wedding at Millersburg of Miss Elizabeth Allen and Jesse M. Alverson, which will be much interested here where the groom lived for so many years and where the bride is also very well known and popular.

At three o'clock this afternoon Miss Elizabeth Wall Allen was united in marriage to Mr. Jesse M. Alverson. The wedding took place at the home of the bride "Forest Hill," in Millersburg, before a large number of friends of the happy couple. To the strains of the wedding march from Lohengrin on the harp and violins, Mrs. Charles W. Kirkpatrick of Mt. Sterling, and Mr. Henry Lawrence of Cadiz, appeared on the wedding stairway, while following them came Miss Sallie Taylor Woods, of Stanford, and Judge William E. Dowling, of Lawrenceburg. Miss Gertrude Sledd, of Shelbyville, the maid of honor, entered with John John M. Lassing, of Newport. Miss Allen, the fair bride, followed the bridal party, which was met by Rev. W. E. Ellis, of Cynthiana, who tied the nuptial knot, while the handsome maid and groomsmen stood before a bower of palms and ferns, and pink cathedral canopies shed a soft glow on the assemblage. The time ceremony was beautiful and impressive.

The handsome bride was radiantly happy in her wedding robes of white chiffon over satin, with trimmings of real lace, pearls and crystals. The short bridal veil was caught with orange blossoms and the only ornament was a handsome, pearl necklace, the gift of the groom. She carried a shower bouquet of valley lilies.

Mrs. Kirkpatrick was strikingly handsome in blue marquisette over satin, en train, with panel of point lace, pearl and crystal trimmings.

Miss Woods' gown was of pale blue, chiffon over satin with lace trimmings.

The maid of honor, Miss Sledd, was robed in pink dew drop chiffon over satin with bands of white ermine.

Immediately after the ceremony an informal reception was held and refreshments were beautifully served, the individual cakes having the initial "A" in lettering of silk and the mints were pink rosebuds. The stately old mansion was beautifully decorated throughout with potted plants and Killarney roses, and was a beautiful setting for the affair.

After the wedding and reception, Mr. and Mrs. Alverson were driven in an automobile to Paris, where they went to New York for a three weeks' stay. They will be at home in this city at Mrs. William O'Donnell's on Shelby street, South Side, after the first of January.

Mrs. Alverson is very pretty and the youngest daughter of Mr. M. Allen, a banker of Millersburg, and will receive a hearty welcome on her arrival here. Mr. Alverson is a former resident of Stanford, but for almost a year he has resided here, where he is popular and a valued employee of the Frankfort Printing Company.

Many useful and beautiful gifts in cut glass, silver, china and linens were received by the young couple. Among the number were \$100 in gold from Judge Lassing, and several large checks from the bride's father. Among the prominent guests in attendance were: Mr. and Mrs. S. A. Shanklin, of Maysville, Mr. and Mrs. R. E. Fleming, of Louisville, Mr. and Mrs. W. J. Walton and daughter, Miss Mary Walton, of Lexington, Miss Rosa Alverson, sister of the groom, Misses Mae Florence and Irene Alverson, of Richmond, Mr. George H. Peters, of Louisville, and Senator R. L. Hubbs, of Stanford.

TEN MORE TOBACCO TRUCKS SENT HERE

KINCAID EXPECTS ORDERS TO RESUME BUYING SOON. CROP SHORT HERE NEXT YEAR

Although W. P. Kincaid has not yet received orders from the Louisville Tobacco Warehouse to resume the buying of tobacco at his warehouse here, he is confident that orders will be received within a few days for he received a letter from the house yesterday in which he was informed that he had just been shipped 10 extra railroad trucks. As Mr. Kincaid already has eighteen on hand, he believes that this information is indicative of the intention of the Louisville house to resume buying on a heavy scale at a very early date.

Some Lincoln county tobacco growers are selling their crops at the loose leaf warehouses in Danville, for what they can get for them, but those who have weed of quality are holding for the resumption of buying here, for everyone realizes that good tobacco is sure to bring a good price and no one is alarmed.

It is practically certain that the slump in the tobacco buying here will mean that the crop of the weed grown in Lincoln next year will be very light. The farmers seem determined to turn their attention more to corn, wheat, hogs and cattle, and not take another chance on a product that requires so much effort to get in shape for sale and then is liable to drop to a price which will make their labor unprofitable, after all.

Nice Building Lot

SOLD BY HARVEY HELM TO MRS. H. M. BALLOU.

Congressman Harvey Helm last week sold to Mrs. H. M. Ballou the garden lot of his property on Danville avenue, for a price which was private, but is understood to have been around \$1,500. This place adjoins the place now occupied by J. M. McCarty and family on the south, and one of the most attractive building lots in the city. It is understood that Mrs. Ballou will early in the spring begin the erection of a handsome dwelling there. Mrs. Ballou, who has made her home in Lancaster for a number of years, will be cordially welcomed to Stanford.

LAMP CAUSES LOSS OF TOBACCO BARN

WHITE'S MILL FARMER WAS WORKING ON HIS CROP AT NIGHT—EAST END NEWS

The tobacco barn of E. L. Wilson who lives near White's Mill, went up in smoke Monday night as the result of a lamp upsetting. Mr. W. was bulking his crop at night to take advantage of the damp weather. The lamp was on some hay and overturned while the men were in another portion of the building. The barn and crop were insured.

STOPPING YOUR PAPER

The editor of the Martin Mail has the following to say:

"Some time ago a cranky sort of individual came into this office, and stopped his paper because something in it did not exactly suit his fancy. We have frequently met him on the street since then and it is amusing to note the look of surprise on the old fellow's face when he realizes that the editor is still in existence, regardless of the fact that we are no longer getting his dollar.

"Some day, however, and it will not be long, that old gentleman will turn up his toes. His heart will be stiller forever. There will be a display of pretty poses and crepe and the neighbors and friends will follow his lifeless clay out to the Silent City and lay it to rest in the deep, dark tomb.

"An obituary will be published in this paper, telling what a kind husband, loving father, good neighbor, beloved citizen, and how progressive and public-spirited he was—which the recording angel will look over for charity's sake—and in a short time he will be forgotten.

"As he lies out there in the cold, cold graveyard, wrapped in the silent slumber of death, he will never know the last kind word spoken of him will be by the editor of the paper which he so spitefully stopped."

"Have you gentle reader, ever paused a moment to think that your editor—whenever he may be—will some day write your obituary?"

A sprained ankle will usually disable the injured person for three or four weeks. This is due to lack of proper treatment. When Chamberlain's Liniment is applied a cure may be effected in three or four days. This liniment is one of the best and most remarkable preparations in use. Sold by Penny's Drug Store.

Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by Penny's Drug Store.

The United States Department of Agriculture conducted experiments at Round Hill and McLean, Va., and at Piketon, Ohio, that seem to point to a better way of planting corn. Mills of four stalks each placed at one of the four corners of a square, or not less than five inches. The increased yield over ordinary methods of planting corn at the three places respectively were 3-4, 5 and 4 per cent. The corn was cultivated as easily as ordinarily spaced corn and stood up better. It is suggested that a plant be made with two stalks for each corn row and separate tube for each kernel so that the corn may be planted according to the new method as rapidly as it is accomplished with present day tools.

POLITICAL ANNOUNCEMENTS

For Circuit Judge
The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Democracy.

The old story of what the Governor of North Carolina said to the Governor of South Carolina, was brought up at the Conference of the Governors at Frankfort last week. The true version is said to have been, that when the two executives of the Carolinas got together, one remarked "Remember the fate of Montgomery."
"Who was Montgomery?" queried the other. "He's the man who died between drinks." As one of the chief features of the entertainment at the Capital City was an elaborate reception by Col. E. H. Taylor, inventor of the famous Old Taylor brand of whiskey, we opine that none of the visiting governors was in danger of meeting the fate of "Montgomery."

Ed Shinnick keeps on a-talking about Ben Johnson's religious views in connection with his gubernatorial campaign. So far as we can observe, the Shelby Record man is the only one who is paying attention to that feature of the matter. We believe every newspaper opponent of Mr. Johnson in the state is broad-minded enough never to consider it under any circumstances so why an avowed advocate of Johnson keeps harping on it we can't understand. Let the subject drop, Friend Ed, you're the only one who is worrying at all about it.

Our good friend, Edward O. Leigh, once private secretary to governors, now editor of the Bowling Green Messenger, has declared against McCrory for governor. We expected as much since learning where lay the sympathies of "Judge" Henry B. Hines. We know, however, that Ed knows enough of the inside of conditions at Frankfort in the past to believe that if he is forced by his patron saint to swallow Ben Johnson, it's going to be a mighty bitter pill.

Congressman Harvey Heim left Sunday for Washington to attend the opening of Congress. This is the last festival under the control of the republicans and it is expected that that party will endeavor to accomplish all the good possible in order to make things easier in the presidential election in 1912.

Many a noble congressman will sing his swan song at the short session of the national assembly which convened at Washington Monday in closed among whom will be the Hon. Don C. Edwards and James B. Bennett of Kentucky.

WELL FITTING CLOTHES

There's no patent on the idea of wearing plain, well fitting clothes, nor is there a copy-right on selling them. Only so many people don't wear 'em or so many dealers don't sell 'em that it's always worth noting. We're here to sell clothes, and--we do. We sell good ones, but that doesn't mean they are dear. We buy carefully from makers we can depend upon, pay for and get good cloth, good lining, good workmanship and good fit. And we sell at a moderate profit.
